

# CLIMATE HUB

## WEBINAR

CLIMATE TOOLS FOR SPECIALTY CROPS GROWERS IN THE NORTHWEST

**DR. LAUREN PARKER**  
*California Climate Hub*

**DR. JOHN ABATZOGLOU**  
*University of Idaho Climatology Lab*

Join the USDA Northwest Climate Hub online Sept. 23 from 11 a.m.-noon PT to learn about the Future Crop Suitability Tool and Climate Mapper (available at [climatetoolbox.org](https://climatetoolbox.org)) that can assist tree/shrub fruit growers (almonds, apples, blueberries, and cherries) with future location and management decisions.

**WHEN:** 

Monday September 23<sup>rd</sup>, 11–noon PT

**REGISTER:**
