This workshop will be recorded.

Northwest Drought Workshop 2020

Session 2: East-side Peer-to-Peer Learning

30 July 2020

Ground rules

Respect: Speakers & participants come from a variety of experiences and all inputs are equally valued.

Limit disturbances: Verify that you are muted when you aren't talking.

Participation: All participants are expected to share information. Try to give time and space for everyone to contribute.

Ask questions: Ask if something is unclear ask.

What else should be included? Do you agree with these?

Virtual connections / Poll everywhere

Phone number 22333, text TONYAB436. Then text responses to polls.

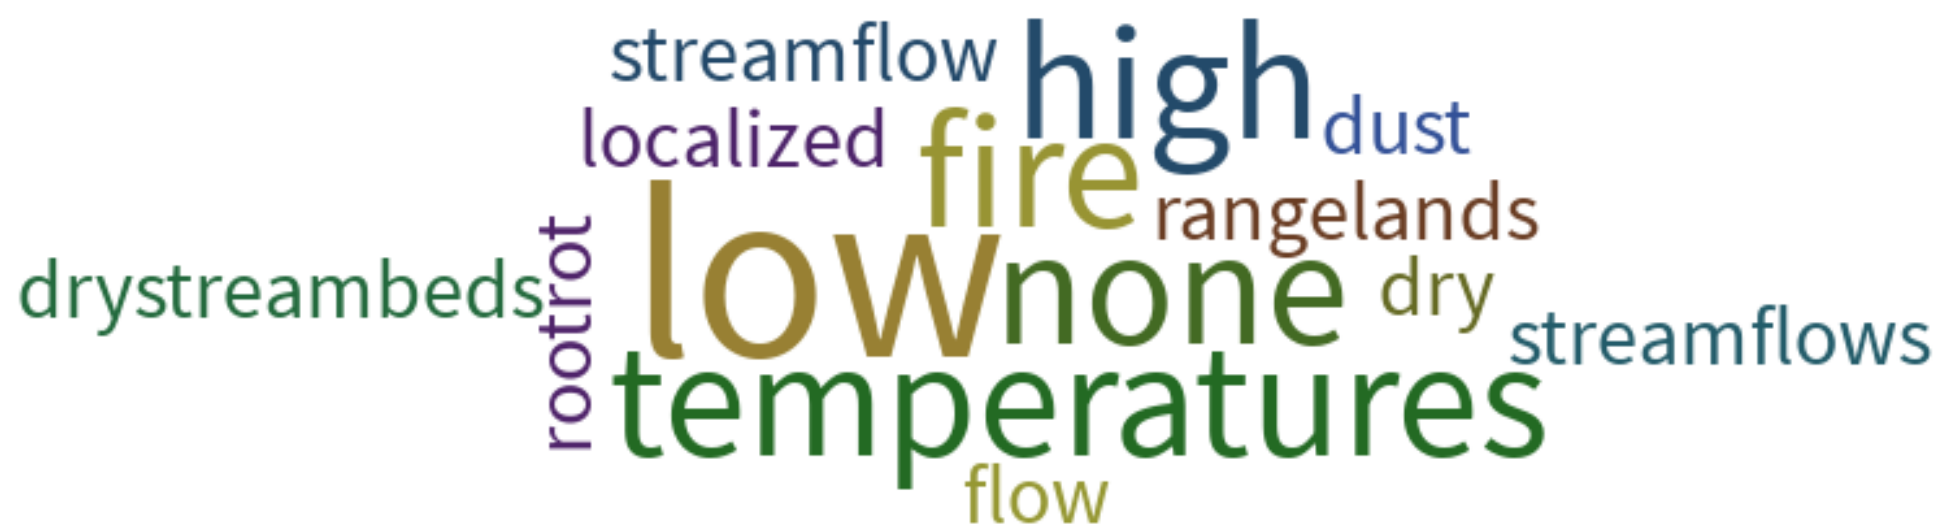

PollEv.com/tonyab436

(Works via your cell phone or computer)

When poll is active, respond at PollEv.com/tonyab436

Text **TONYAB436** to **22333** once to join

What drought impacts are you seeing today 7/30?

When poll is active, respond at Pollev.com/tonyab436

Text **TONYAB436** to **22333** once to join

#1) Increased residue cover will decrease water evaporation from soil.

When poll is active, respond at Pollev.com/tonyab436

Text **TONYAB436** to **22333** once to join

#2 Tilling the soil allows more rainwater to soak into the ground.

When poll is active, respond at PollEv.com/tonyab436

Text **TONYAB436** to **22333** once to join

#3 There are more soil microorganisms in a teaspoon of healthy soil than there are people on the earth.

When poll is active, respond at Pollev.com/tonyab436

Text **TONYAB436** to **22333** once to join

Have most of your stakeholders developed drought trigger points where, if crossed, different management will proceed?

Agenda

8:00-8:10 Welcome

8:10-8:50 Panel: Drought adaptation strategies for Eastern Oregon and Washington Rangelands - Matt Reeves Rocky Mountain Research Station
Farmer to Farming Learning Groups - Tabitha Brown American Farmland Trust
Forests – Derek Churchill Washington Department of Natural Resources
Soil Health – Nick Sirovatka Natural Resources Conservation Service

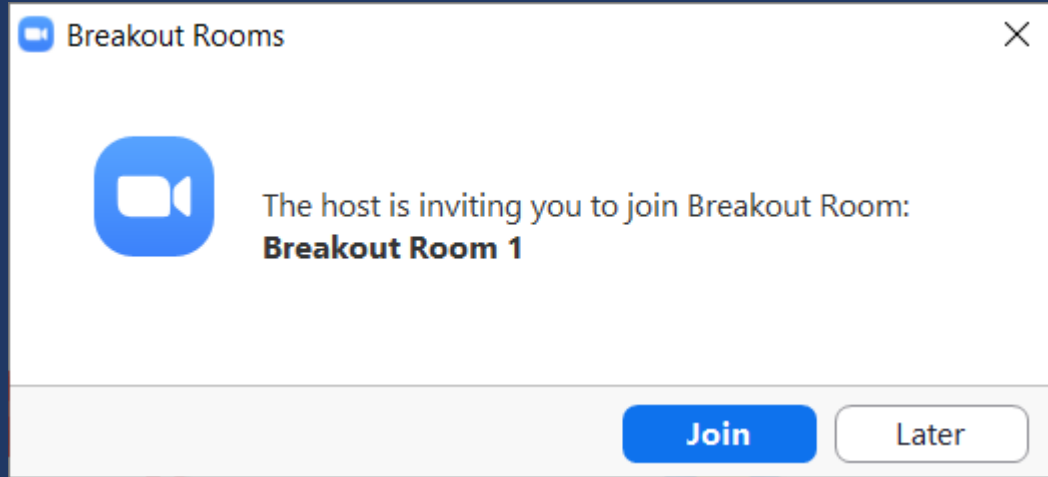

8:50-9:20 Discussion & questions to panelists

9:20-10:20 Small group discussions Round 2

10:20-10:50 Report out highlights of discussions to group

10:55-11:00 Summarize next step
