

# Upcoming Webinar

## When does my county have its first frost?

Understanding changes in first-frost and last-freeze dates in the Midwest

**Wednesday, September 21, 2022**

**10am CDT**

<https://www.zoomgov.com/j/1605071265>

Join the Midwestern Regional Climate Center and the USDA Midwest Climate Hub for a discussion of county-level patterns in first-frost and last-freeze dates. The webinar will include a presentation of MRCC's new Freeze Date Tool.
